PER CURIAM:

Richard W. Madden, Sr., Lori M. Madden, Tiera R. Madden, and Amanda K. Madden appeal the district court's order adopting the recommendations of the magistrate judge and dismissing their action under 42 U.S.C. § 1983 (2000). We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. See Madden v. Stewart, No. CA-03-3458-27-8 (D.S.C. Dec. 22, 2004). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
